

IWGB London Security Guards & Receptionists Branch Constitution

1. Branch Name

The branch shall be called “London Security Guards and Receptionists” branch of the IWGB and will henceforth be referred to as “the Branch”.

2. Objects

- a. To improve and protect the terms and conditions of the members;
- b. To promote the primacy of members’ own decision making in all matters covered by the Branch constitution, and in the development of all of the Branch’s policies;
- c. To preserve, promote, and protect the independence of the Branch;
- d. To settle disputes between the members and their employers;
- e. To initiate movements for increased rates of pay, or improved conditions of employment;
- f. Cooperate, directly or indirectly, with the work of any organisation, local, national, or international, which holds objects or policies which are similar to those of the Branch.

3. Membership

Membership shall be open to anyone working as a security guard or receptionist in London, with the exception of managers who are in positions of hiring and firing workers.

4. Branch Structure

- a. There shall be an annual general meeting, held once per year in April, to elect officers and representatives.
- b. The AGM shall be considered quorate when need 10% of the branch or 20 members of the branch are present, whichever is lower.
- c. In addition to the AGM, the branch shall hold monthly meetings, to decide branch policy.
- d. Branch monthly meetings are open to all members, and every member has equal rights to voice and vote.
- e. Branch monthly meetings shall be considered quorate when 5% of the membership is present.
- f. Ordinary members may convene an emergency branch meeting without the chair or vice-chair if need be. This meeting will need 30% of the membership present to be considered quorate.

5. Branch Officers

The officers shall be elected at the AGM, by a show of hands vote, for the period of one year. Any individual interested in becoming an officer needs to be proposed and seconded by branch members before a vote can take place. If an officer position becomes vacant between AGMs, the vacancy shall be filled on the basis of a show of hands vote at a monthly branch meeting. The term of office for this position shall be temporary- until the next AGM.

For contested positions candidates will be invited to make a brief speech to the members on their candidacy. If an officer position is uncontested, the position will still need to be voted on

in a “yes or no” manner. An uncontested candidate for officer position must receive a majority of “yes” votes in order to be confirmed.

As the position of Chair is automatically a member of the IWGB Executive Committee, this position if contested need to be decided via a postal ballot organised by the Central IWGB. If the Chair steps down and is replaced mid-term, their replacement will automatically be a member of the IWGB Executive Committee unless and until the person is elected at the following AGM for a full year term.

The group of officers is purposefully small as the officers’ principle role is to carry out the policies of the branch on a day to day basis. The group of officers shall not be considered an executive committee with the remit of deciding policy. The ultimate executive authority of the branch is the democratic will of the members as expressed in monthly branch meetings, rather than through delegates on a committee. The following officer positions and their respective duties are listed below:

a. **Chair-** This person will be the branch spokesperson and representative both within the IWGB and with the public at large. The branch shall not undertake any actions, policies or statements which bring disrepute to the IWGB nor which contravene the IWGB rules. Considering the above, the branch shall have complete autonomy within the IWGB in the following areas:

- a. Ability to set its own membership fees;
- b. 40% of the money accruing to IWGB from this branch's membership fees shall be returned to the Branch each month, starting when the Branch opens its own bank account;
